Objective

The objective of guidelines for KYC is to standardize KYC documentation across ABHFL. This policy will reduce ground level ambiguity and ensure faster KYC document collection. The KYC Policy also intend to put in place a standardize procedure for original seen and verified (OSV), address proof documentation for co-applicant, etc.

ABHFL may prepare a profile for each new customer based on risk categorization. The customer profile may contain information relating to the customer's identity, social/financial status, nature of business activity, information about his clients' business and their location, etc. The nature and extent of due diligence will depend on the risk perceived by the ABHFL. However, while preparing customer profile ABHFL should take care to seek only such information from the customer which is relevant to the risk category and is not intrusive, and is in conformity with the guidelines issued by NHB in this regard. Any other information from the customer will be sought separately with his/her consent.

Risk Category

ABHFL will classify its customers based on the below mentioned risk categories as defined by NHB from time to time.

1. Low Risk
2. Medium Risk
3. High Risk

Low Risk

For the purpose of risk categorization, individuals (other than High Net Worth) and entities whose identities and sources of wealth can be easily identified and transactions in whose accounts by and large conform to the known profile, may be categorized as low risk. Illustrative examples of low risk customers could be salaried employees whose salary structures are well defined, people belonging to lower economic strata of the society whose accounts show small balances and low turnover, Government departments & Government owned companies, regulators and statutory bodies, etc. In such cases, the policy may require that only the basic requirements of verifying the identity and location of the customer are to be met.

Medium / High Risk

Customers that are likely to pose a higher than average risk to the ABHFL may be categorized as medium or high risk depending on customer's background, nature and location of activity, country of origin, sources of funds and his client profile, etc. ABHFL may apply enhanced due diligence measures based on the risk assessment, thereby requiring intensive 'due diligence' for higher risk customers, especially those for whom the sources of funds are not clear. Examples of customers requiring higher due diligence may include

- non-resident customers,
- high net worth individuals,
- trusts, charities, NGOs and organizations receiving donations,
- companies having close family shareholding or beneficial ownership,
- firms with 'sleeping partners',
- politically exposed persons (PEPs) of foreign origin,
- non-face to face customers, and
- those with dubious reputation as per public information available, etc.

Note → It is important to bear in mind that the adoption of Customer Categorization and its implementation should not become too restrictive and must not result in denial of ABHFL's services to general public, especially to those, who are financially or socially disadvantaged. For ensuring the same, risk categorization of the customer would be approved by case approving authority and authorities can be modified/ further delegate by Head Risk – ABHFL and CBO-ABHFL from time to time.

Monitoring of KYC

For the purpose of effective monitoring of KYC, customers identified as high risk customers would need to submit fresh set of KYC once in 2 year, while Medium Risk Customers would need to submit fresh set of KYC once in 8 years and Low Risk Customers once in 10 years. Any deviation / waiver of the above requirement can be done at the Head Risk –ABHFL level or as delegated from time to time.

Central Know Your Customer (CKYC)

The Government of India has authorised the Central Registry of Securitisation Asset Reconstruction and Security Interest of India (CERSAI), to act as, and to perform the functions of the Central KYC Record Registry vide the Gazette Notification No. S.O. 3183(E) dated November 26, 2015. The ‘live run’ of the Central KYC Record Registry has started with effect from July 15, 2016 in phased manner beginning with new ‘individual accounts’.

ABHFL has taken steps to prepare their systems for uploading the KYC data in respect of new individual accounts and for existing accounts it will be done in phased manner. ABHFL will upload the Know Your Customer (KYC) data with CERSAI in respect of new individual accounts. ABHFL will capture the KYC information for sharing with the Central KYC Record Registry in the manner mentioned in the “Prevention of Money-Laundering (Maintenance of Records) Rules, 2005” and amendments thereafter, as required by the revised KYC templates prepared for individuals and non-individuals/legal entities, as the case may be.

General Guidelines

- In case an existing customer is coming for a loan again, then in such cases valid address proof should be collected only if there is any change in the current address from the address mentioned at the time of the previous loan.
- For cases wherein the Director is empowered to execute all documents on behalf of the company through Board Resolution of the company, then such Board resolution should be signed by at least two directors.
- In some cases OSV cannot be done since the property is mortgaged and the original documents are with the financier and the customer is only having photocopy of the documents. In such scenario latest income tax provisional statement is to be collected with financier's seal on the same. Address on it should match with the application form address.
- There are cases where there are mismatches in the names on the application form and the identity proof due to –
 - a. mistake occurred/committed by the issuing authority of the ID proof
 - b. change of surname after marriage
 - c. same individual having different name mentioned in application form and KYC documents submitted (usage of title)
 - d. Elaboration of initials detailing applicant's first/ middle name & surname.

In such scenario the declaration for dual name should be obtained. The declaration should have proper affidavit. (**Annexure VIII**-Declaration cum Indemnity)

Note - Above situations should be accepted subject to positive FI/ PD for residence and office & positive FCU.

- In case where customer has two different signatures on two different documents (*as per the list given under signature proof doc*) then in such case one of the signatures should match with the signature on application form. Also an affidavit should be obtained as per **Annexure VI** - Declaration for Signature Variance.

FAQs on Address Proof

Annexure I

1. There are instances wherein, it is difficult to obtain satisfactory address proof document for applicant/ co-applicant/ guarantor since they reside with their parents/ spouse/ relatives and the address proof is in the name of the parent/ spouse/ relative

To cater such scenarios -

- Where co-applicant/ guarantor has no address proof in his/ her name and he/ she is residing with the applicant who is an relative (as defined under section of relationship proof) of the co-applicant, bank will obtain applicant's KYC documents including photo, identity proof, address proof, signature verification proof and date of birth proof along with co-applicant's photo, identity proof, signature verification proof and date of birth proof.
- Where primary applicant has no address proof in his/ her name since he/ she is residing with his/ her spouse/ parent in whose name the address proof is available and that spouse/ parent is coming in the deal as a co-applicant, bank will obtain such co-applicant's KYC documents including photo, identity proof, address proof, signature verification proof and date of birth proof along with applicant's photo, identity proof, signature verification proof and date of birth proof.
- Where primary applicant has no residence addresses proof in his/ her name since he/ she is residing with his/ her spouse/ parent and the address proof is in the name of the concerned spouse/ parent (declarant) who are not a part of the loan application.

In such situation the acceptance of those cases will be subject to -

- Field Investigation of Residence and Office & FCU checks are positive
- KYC of the concerned spouse/ parent (declarant) is collected as per the list of documents mentioned under Individual category.
- Valid identity proof of the applicant is available

Note

- In all of the above situations declaration as per **Annexure II** -Address Proof, should be documented duly executed under applicable stamp law.
- In all of the above situations relationship proof should be obtained.

2. There are instances in certain locations where the postal address has been changed by the Municipal Corporation, in such exceptional scenarios proof of the old address along with the letter of intimation by Municipal Corporation can be accepted as a valid address proof.

Note:

- i. There will be no waiver of KYC documents.
- ii. All declarations / indemnities should be as per the applicable stamp law except **Annexure VII-HR** letter Format
